Gordy Graham

Captain Gordon

He was sailing, always sailing, bound for somewhere that he knew. The Captain of the ship, loved by one, loved by all. He is sailing, always sailing.

He was smiling, always smiling, knowing someone always cared. Smiling, laughing, the captain loved life, loved by one, loved by all. He is smiling, always smiling.

He was searching, always searching. Searching for the life he once touched, touched in a dream, touched in a prayer. Yes. He is loved by one and he is loved by all. He was searching, always searching.

He is waiting, always waiting, waiting for our ships. Waiting for the day we cry, "Land Ho." One day we will be reunited in the land he always knew. His ship has reached its destination. One day ours will too.

He is waiting, always waiting. He is sailing, always sailing. He is searching, always searching.

He is smiling...
always smiling.

National Honor Society

Reforms Standards

National Honor Society (NHS) is an organization for which students are chosen on the basis of their grade point average, service, leadership, and character. On this year's 35 members, 12 were juniors. Twenty-three seniors were chosen in their junior year. Because of a bill passed in Student Senate, sophomores became eligible for NHS and members will no longer be selected in their senior year. The bill also made it much more difficult to get into NHS by raising the minimum grade point average to 3.6 and requiring members to have taken what are deemed to be "honors" classes. Members were initiated at a banquet to which their parents were invited. National Honor Society adviser was Bette Kennett.

Hellgate was well represented at the State Music Festival April 30-May 1. To qualify for the Festival, participants had to receive superior ratings at the District Festival earlier in the year.

Students performing vocally in the Festival were: Vanessa Ochsner, Jacqui May, Toni Hinton, and Anita Rice.

Band members who attended included Joe Miller, Patti Baker, Lori Mix, Bob Koostra, Russ White, Rob Wilson, Rory Kraut, Bill Sheldon, Cindy Teichrow, Deb Johnson, Barrie Ryan, Jim Kirkpatrick, Mark Marcinkowski, Bob Sale, Paul Kraut, Warren Sheldon, Kristi Kliber, Maury Chubb, Tracy Atkinson, Kathy Bauman, Lee Puckett, Pam Marek, Karen Koostra, Lindsay Bernatz and Joani Teichrow.

Orchestra members performing in the Festival were Gay Grimes, Fonda Hollenbaugh, Lisa Perry, Katrin Talbot, Sarah Thornton, Karen Schroeder, Andy Taylor, Charlie Chubb, Gretchen Talbot and Brian Shull.

Hellgate's Jr. Prom Dazzles Large Crowd

April 3, 1976 could have been just another Saturday night for Hellgate upperclassmen. However thanks to hardworking Madeline Buescher (Jr. Class Pres.) along with diligent assistants from the Junior and Senior classes, Hellgate's gymnasium was transformed into a realm of magic.

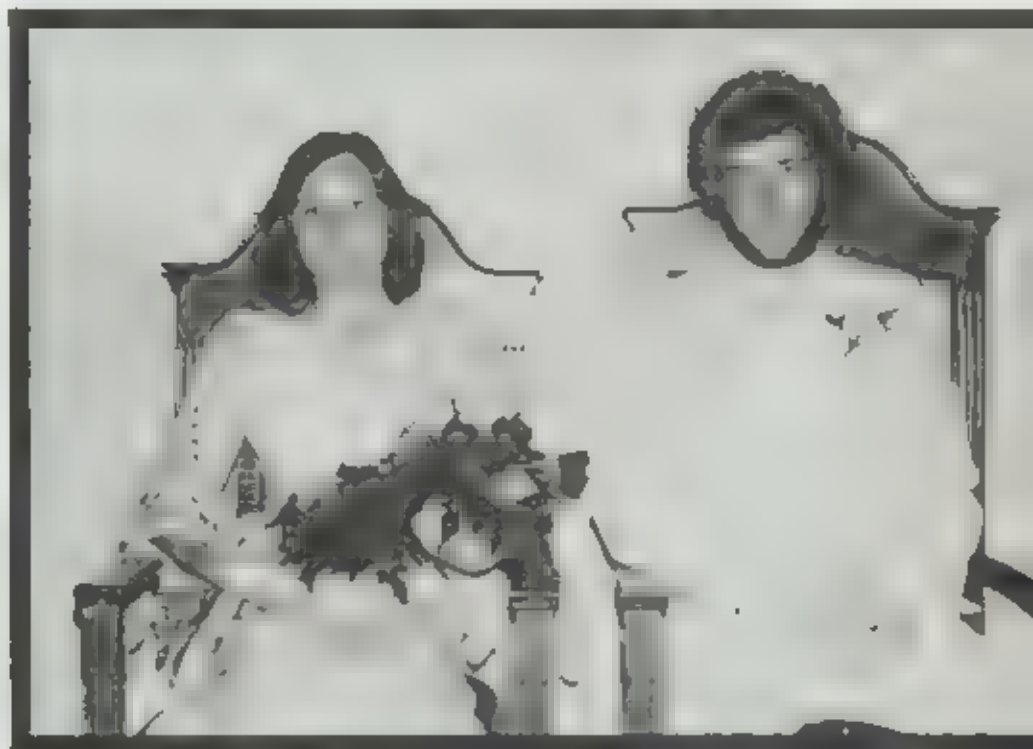

White paper streamers twirled above the couples heads, while crepe strips hid concrete stairways, walls and flowed around a white wicket trellis. An angel-hair-bedecked stairway rose to silvery clouds and a pale blue background.

The theme of the Prom was "Stairway to Heaven", a recent song recorded by Led Zepplin.

The Prom King and Queen were Pat Armstrong and Janet Tennant. Candidates for the positions included Elaine Taylor, Brad Murray and Terry Mason for King and Margaret Barth, Mary Coon and Nancy Cole for Queen.

Five cakes, fifty dozen cookies and gallons of punch were served to hungry dancers.

Despite a few minor catastrophes, the '76 Prom was a delight from the first streamer strung to the final farewells.

Jr. Class President Madeline Buescher announces the oath.

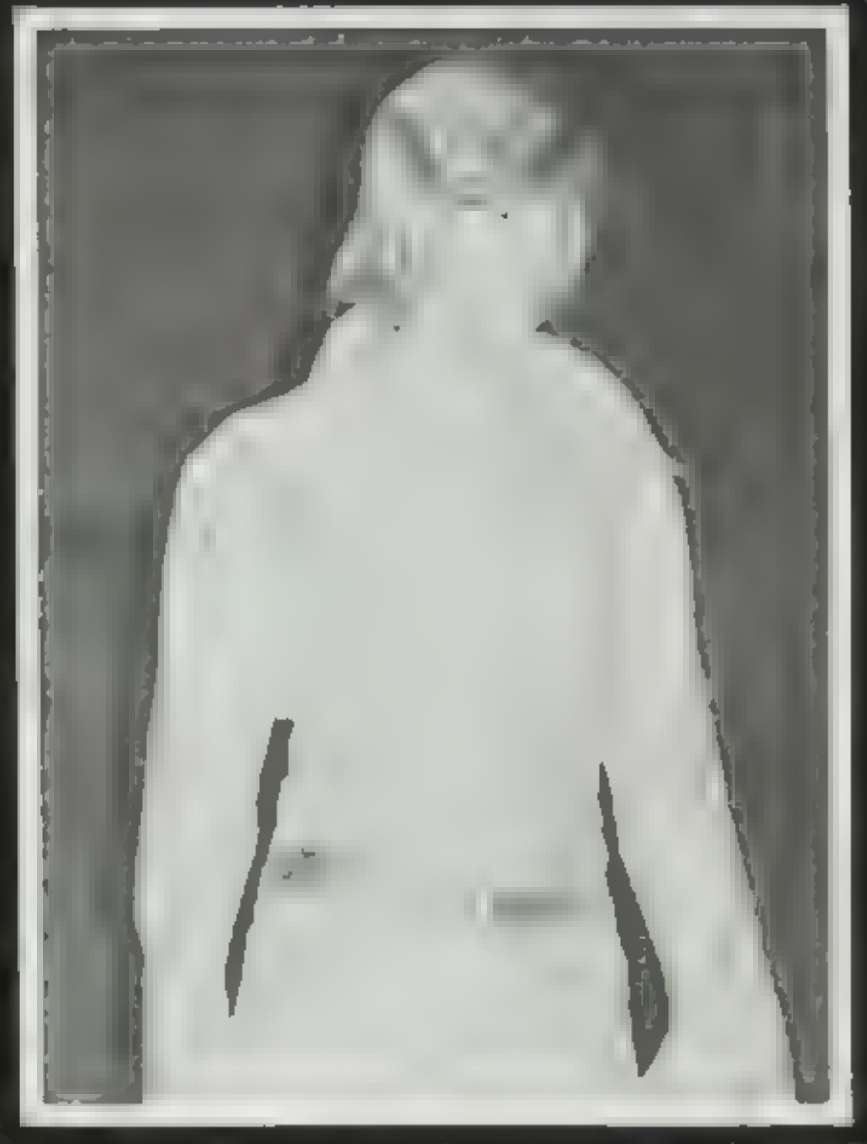

"How could you do this to me?" cries Rose Alvarez to Albert Peterson.

Hellgate Drama Department presented a musical, "Bye Bye Birdie", last spring.

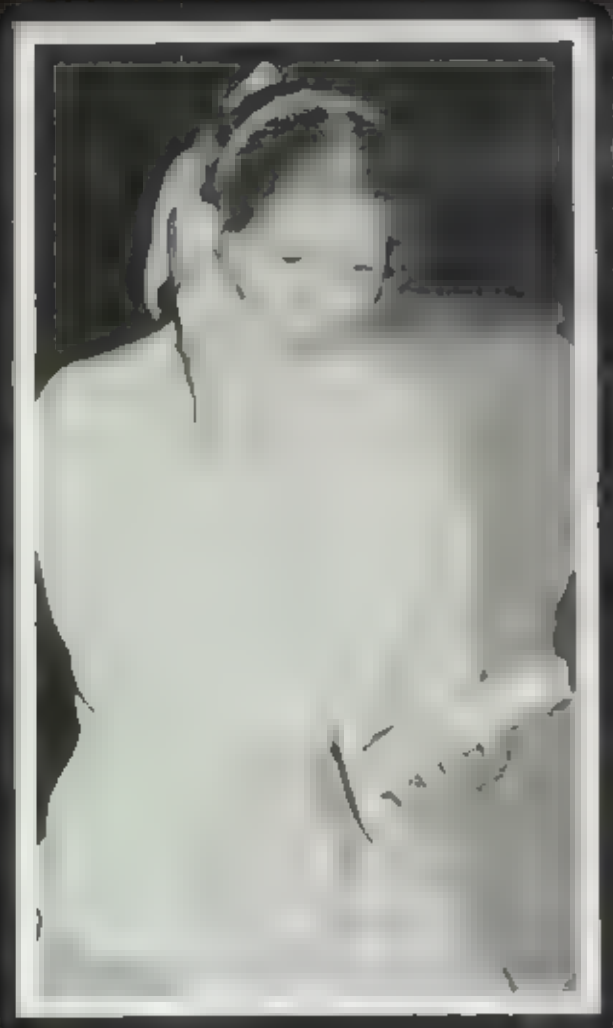

The play was set in the late 1950's in the small town of Sweetapple, Ohio.

Albert Peterson (Sterling Chord), the enterprising manager for superstar Conrad Birdie (Loren Larson), stages a big, last kiss for the newly enlisted Birdie before he leaves for the Army. Kim MacAfee (Kay Sandberg), newly pinned sweetheart of Hugo F. Peabody (Bill Bowers), was chosen the lucky girl.

The story was filled with singing and dancing in classic 50's style. Of course the ending was happy. Albert proposed to his secretary Rose Alvarez (Vicki Black), Kim and Hugo were reunited, and Conrad remained an idol.

Cookie Club Munches Away the Hours

Cookie Club, under the leadership of the "Cookie Sheriff," Kristen Sohlberg, was a club formed by the Halberd staff.

The group met daily in the staff room to munch away the hours while they worked diligently on the Supplement.

The only criteria for the club is that you be a member of the yearbook staff and of course, know how to bake cookies.

Hellgate Knights

Take Fourth at State Tournament

The State AA Basketball Tournament in Missoula, was one more win this year for our Knights. The Knights lost their first game to the Great Falls Bison 44-60. In their second game they beat Billings West a smashing score of 76-57. In their third game they edged the Butte High Bulldogs by a score of 62-52, in a fantastic overtime performance. In their fourth game, they lost by one point to G.M. Russell, score 48-49, putting them in fourth place in the state. The most valuable player award was given to Blake Taylor.

The Varsity team, in their strongest performance, won the first game.

Wrestlers Grapple for State Title

What was thought to be a rebuilding year for the Hellgate Wrestling team after losing nine seniors in 1975, turned out to be a very successful year. An excellent group of young men finished off the 1976 season with a 14 won 3 lost dual meet and second in the Montana state championship.

Every boy on the varsity team put forth a maximum effort which resulted in six individual state placers; sophomore Allen Hines, sophomore John Smith, and junior Kurt Jovin placed second. Senior Allen Grimsley received a third place along with freshman Rick Butler and senior Shawn Clouse.

The future looks bright with four winners returning and a excellent nucleus of young wrestlers.

Gymnasts Take

State Trophy

Congratulations to this years Hellgate gymnasts. The season went well. The gymnasts were strong, and the teams as a whole showed their tremendous abilities at the State Meet. The boys especially reflected their skill and achievement with a first place trophy.

For the girls, all varsity team members deserve recognition with a spot-light on the 1975-76 all-around, Gymnast Erin Marbut.

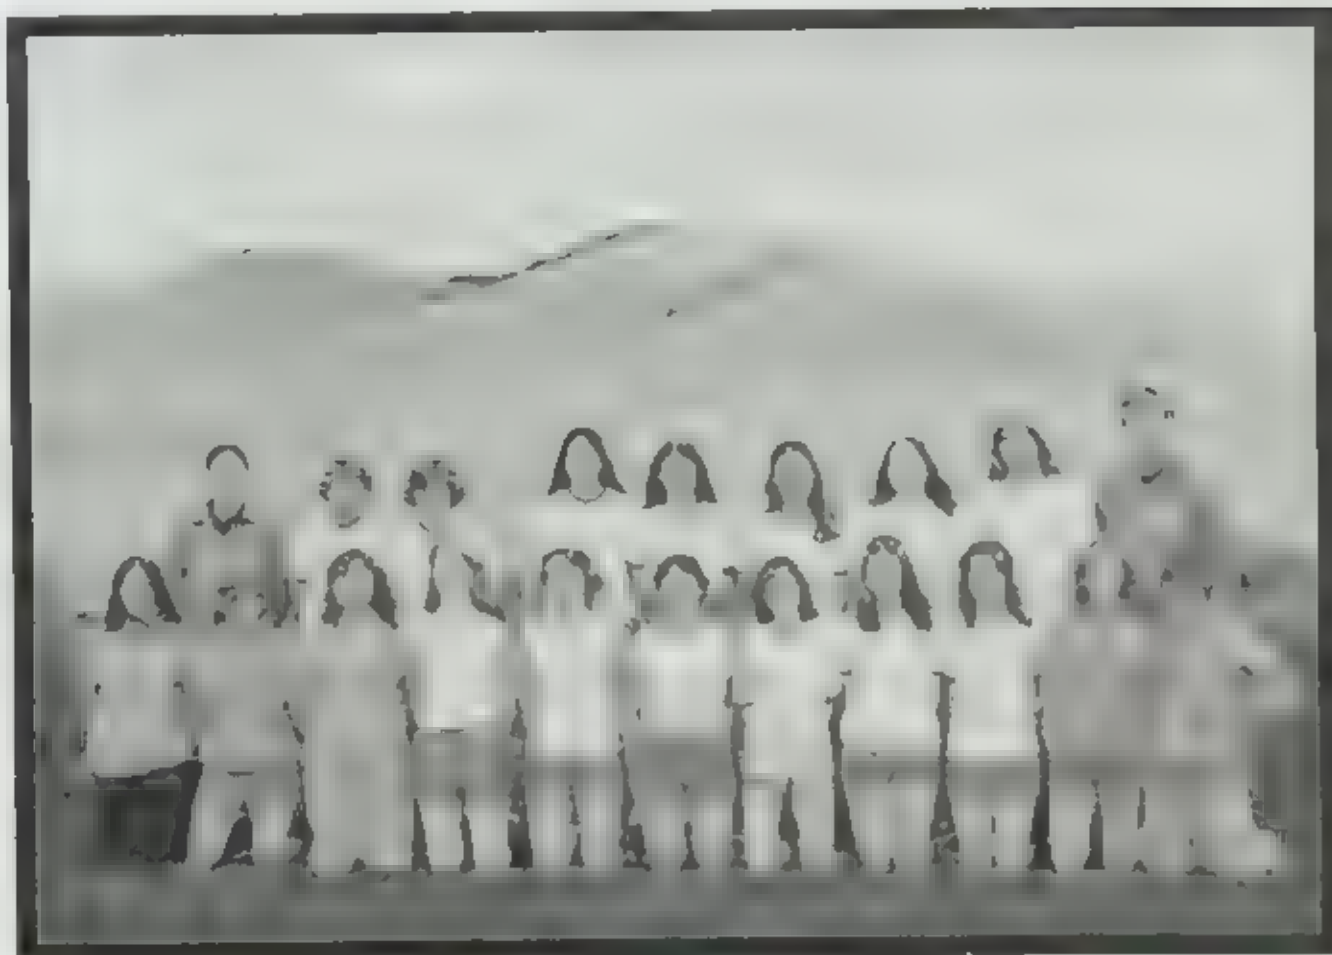

The coaches are "mighty proud" and are looking forward to next year with "great expectations."

Girls Rebuild This Year

The girl's track team had a disappointing year team-wise. They lost all their meets, but countered this with some outstanding individual performances. Sheila Panian turned in excellent times in the 440 and also anchored the 880 medley relay team which broke a varsity record by over 2 seconds and went to State. The relay team is composed of Karen Rising, Laurie Dobbins, Debbie Sager and Sheila Panian. Risa Lange has given us strength in the field events, scoring 67 points in 10 meets and is close to new varsity records in both shot-put and discus. Peggy Koeplin has been throwing the javelin consistently well for the past 4 years and is the current javelin record holder. A lack of depth has hurt the team this year, but this shouldn't detract from the excellent effort put forth by the whole team.

Varsity Girls Track Team: Front Row: Mary Privett, Dana Clark, Dottie Reynolds, Carrie Netzer, Shari Hartze, Mel Jahner, Karen Rising, Chris Congdon, Renee Evenson, Chris Keller, Cheri Butler. Row 3: Ass't Coach Larry McKimney, Ass't Coach Bob Cassin, Ass't Coach Bob Perrin, Scott Shull, John Troxel, Tim Ryan, Henry Brozman, Mark Anderson, Pat Armstrong, Ed Anderson, Frank Jobe, Ass't Coach Dan Gilman, Ass't Coach Russ Pilcher, Head Coach Ron Jones.

The 1976 Hailgate track team was one of hard work and many heartaches. Sixteen major injuries to very good athletes changed the picture of a high Divisional placing to one of uncertainty. The team was made up of mostly underclassmen with seven seniors. The season dual meet record was 4-4 with fair showing in the three large invitationals. During the unfortunate injuries, the team's record could have been a record 4-1 season.

Chris Law, Pat Armstrong, Jay Huggins, Scott Larson, Frank Jobe and Scott Shull were the high scoring individuals for the track team.

Freshman Girls and Boys Do Well

Freshman Girl's Track Team-Front Row: Lanann Bryant, Danette Foster, Debbie Segar, Yvonne Lillebo, Annette Montreuil. Row 2: Deidri Hamilton, Dana Fields, Roxanne Lindquist, Kathy Dale.

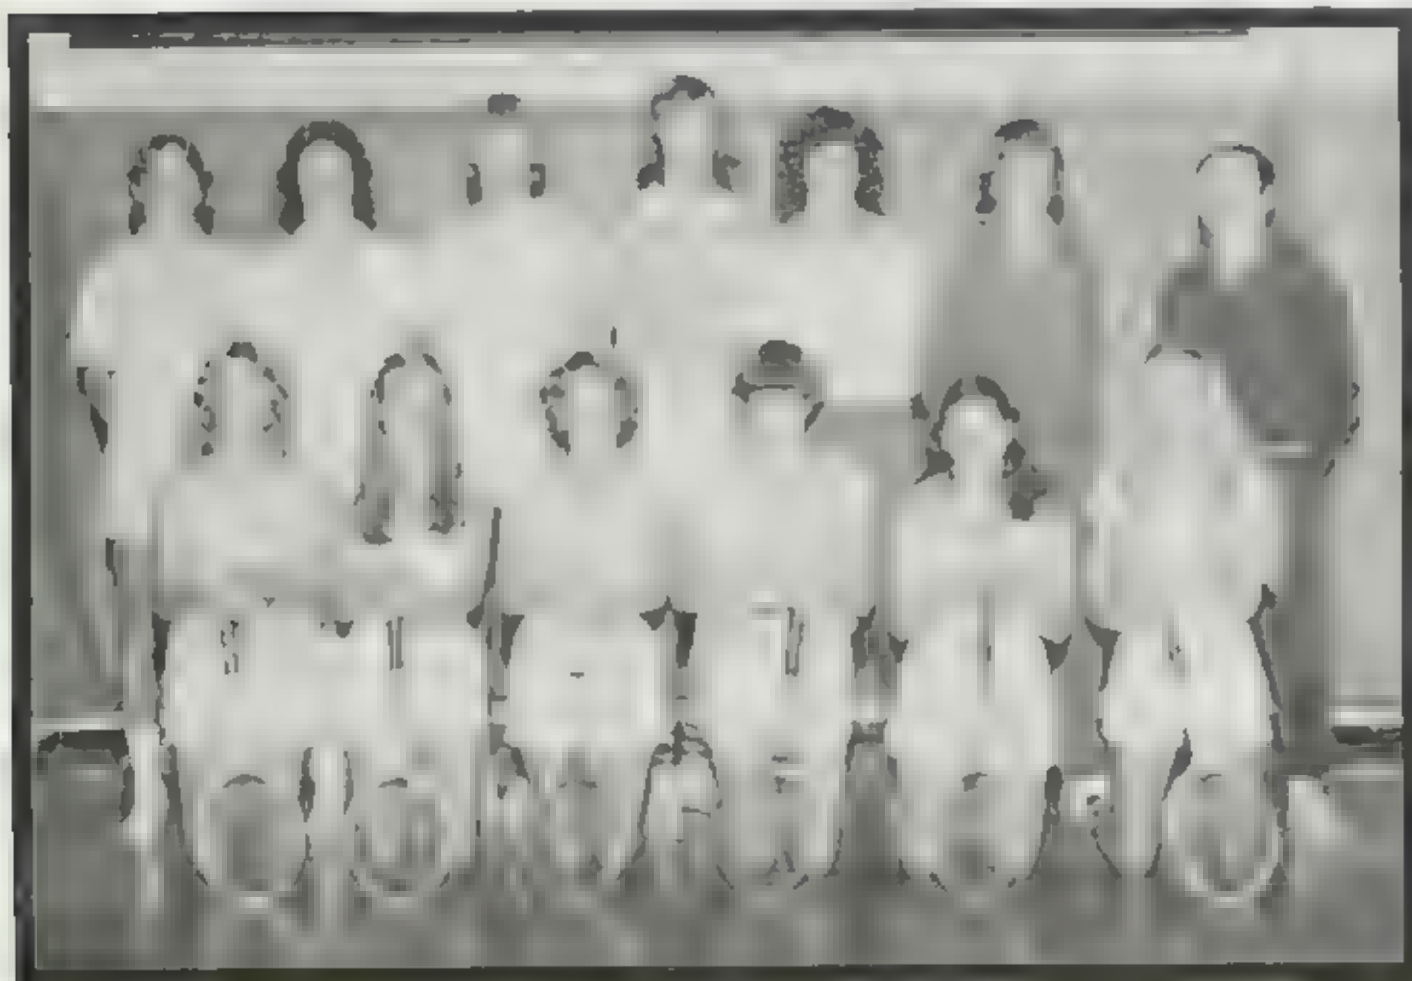

Most of the Freshman Track girls ran varsity or novice and they have made considerable contributions to varsity team scores. The second highest varsity point scorer was Debbie Segar who also broke the school record this year. She set freshman records in the 110, 220, 110 hurdles and high jump. She was also on the record setting varsity 880 medley relay team. Yvonne Lillebo set a freshman record in the mile, while Danette Foster was $\frac{1}{4}$ inch off setting a new record in the long jump. Roxanne Lindquist has thrown the javelin very well this year and Deidri Hamilton was the top hurdler, winning most of her novice and freshman races.

The Freshman Boys Track Team of 1976 was one of promise toward the future. One of the largest tournaments ever was recorded. Three school records were broken this year by Jeff Hausauer's high jump of 5'10", Jeff Hausauer's discus throw of 127'52" and Mark Lowe's 440 run at 53.9 seconds.

Freshman Boy's Track Team-Front Row: Jeff Hausauer, Steve Kenck, Jim Schwenk, Allen Drew, Larry Williamson, Ron Huguet, Ed Lawrence, Floyd Graham. Row 2: Rolf Solhberg, Matt Fox, Steve Shea, Tim Schwenk, Jamie MacKenzie. Row 3: Ken Jenkins, Roy Kyle, Fed Stickney, Stan Mock, John Bukovatz, Brian Beck, Dale Truett, Mark Lowe, Greg Johnson, Greg Miller, Rich Doyle.

Tennis and Golf Teams Shine

Thirteen players made up the tennis team this year. They had twelve matches, playing all the AA Schools in the state except Billings, whom they met in a Great Falls tournament.

Coach Weisner explained, "We had a competitive boys team which placed second in Divisionals. This team may place in the top four in the state. The girls team was young and will graduate only one senior."

Added Coach Weisner, "I was pleased with the progress and skill in all players this year. Their attitude was quite good and their manners on court were outstanding."

TENNIS TEAM Front Row: Tina Shaut, Beth Wilson, Tammy Reesman, Betsy Byrns, Annette Brown, Diana Parker, Row 2: Mark Doty, Saul Chessin, Jace Cheatham, Curtis Walters, Mark Silverman, Tim Alley, Coach Robert Weisner.

Our Boys Golf team has done a great job. They placed second in Divisionals, the first time a Hellgate boys golf team has ever placed that high. They had several other victories as well. All are seniors that have played together for the past two years and through hard work, made this another successful year.

The Girls Golf team was not given a chance and yet played better than all year to place third in Divisionals. They should also be contenders for next year.

Said Coach Trenary, "It's a game of gentlemen of all ages."

GOLF TEAM Front Row: Diana Chaffee, A'lisa Scott, Margaret Rowe, Kathy Bodin, Stephanie Rowe, Gay Brandenburg, Row 2: Coach Gary Trenary, Mark Mason, Frank Job, Albert Riflen, Dave Larson, Jeff Stucky, Marvin Clover, Scott Shirk.

Editor Reminisces

As I grow older, years fly, and I realize that I have encountered many people whose names are etched in a mind that is not yet old. I often wonder how their desires and society's arbitrary limitations on them will be met.

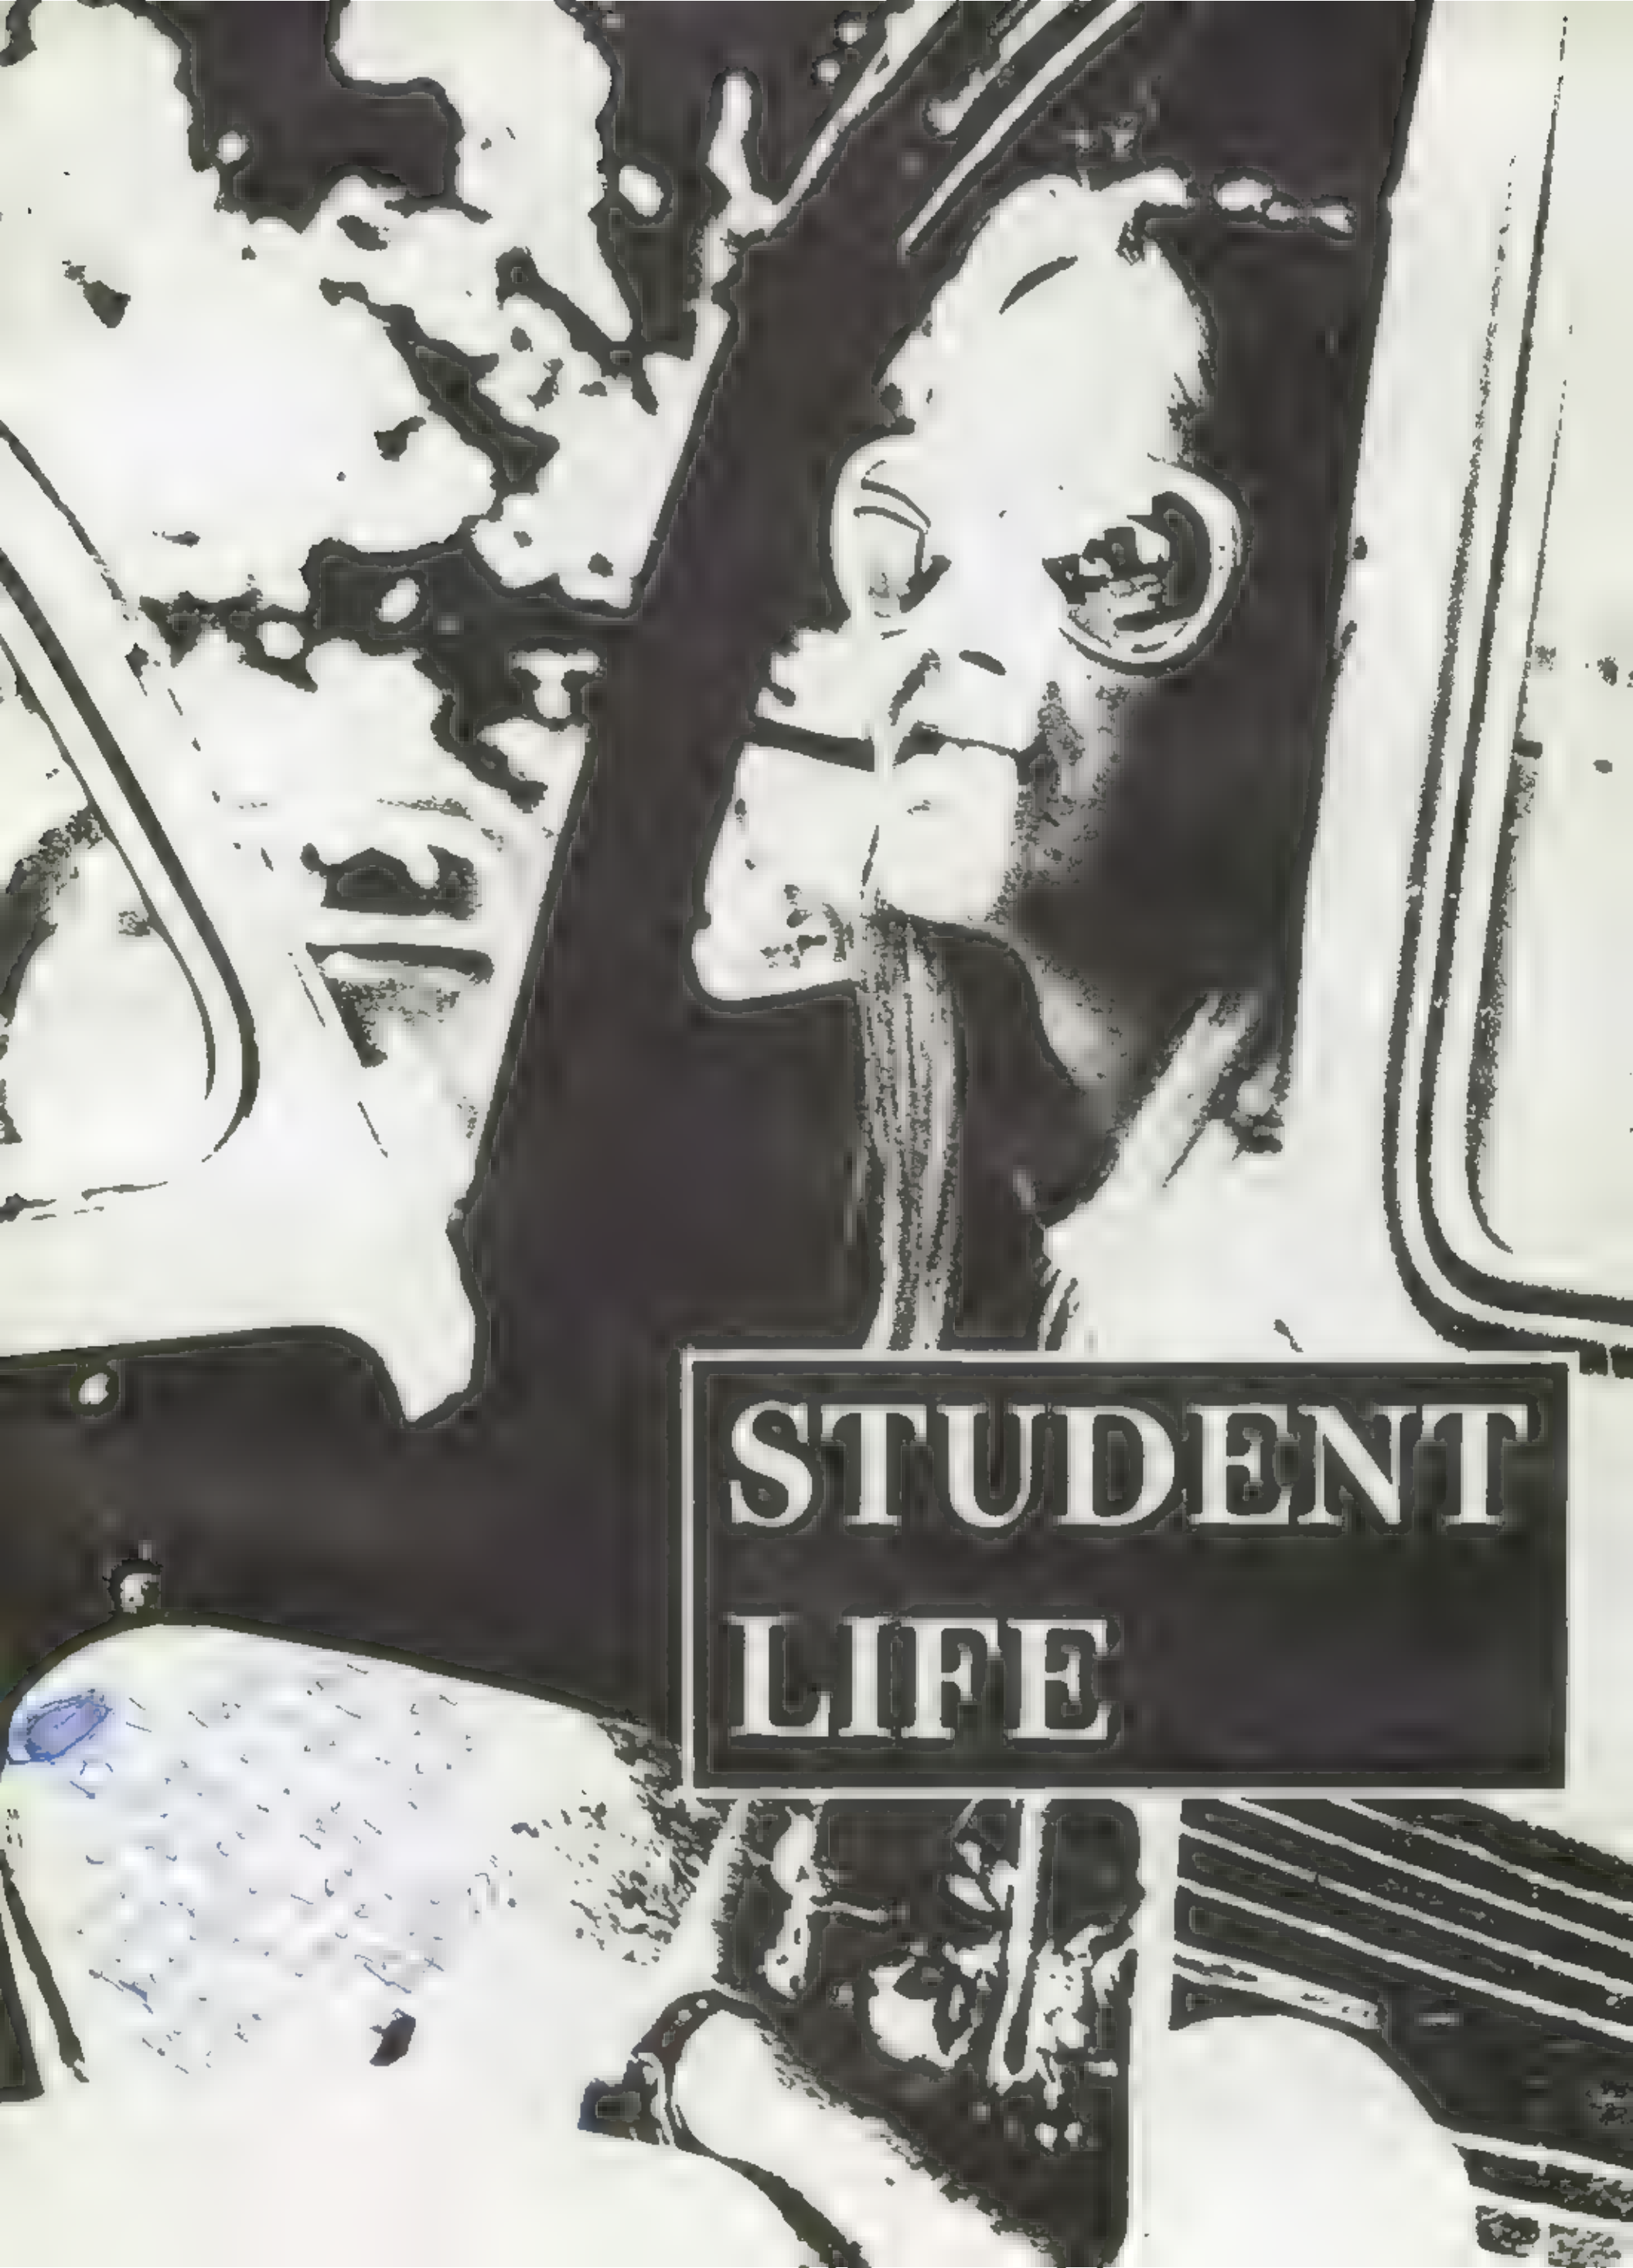

Teenage years are supposed to be ones of happiness, youthful relationships and good times, but many teens are wary of pursuing these pleasures because of the social pressures placed on them to preserve their image and reputation.

I believe, however, that teens must realize the senselessness of upholding an image and weigh its pros and cons. The benefits of being vocal to its fullest. Images are reserved for those who are scholars, athletes, and leaders. A true leader, whatever the age, is one who is not afraid to stand up for what is right, even if it means being unpopular. It is a matter of the responsible misuse of its well-used excuses of irresponsibility and age.

When a person is able to reminisce about his most memorable years, will he want to reminisce of studying, scholastic honor societies, scholarships, principals' brownie boards or will he enjoy bragging of the chew clubs, doodle clubs and junior class keggers of his irresponsible high school days?

Take a chance at fooling the authorities. Do it!

Hellgate

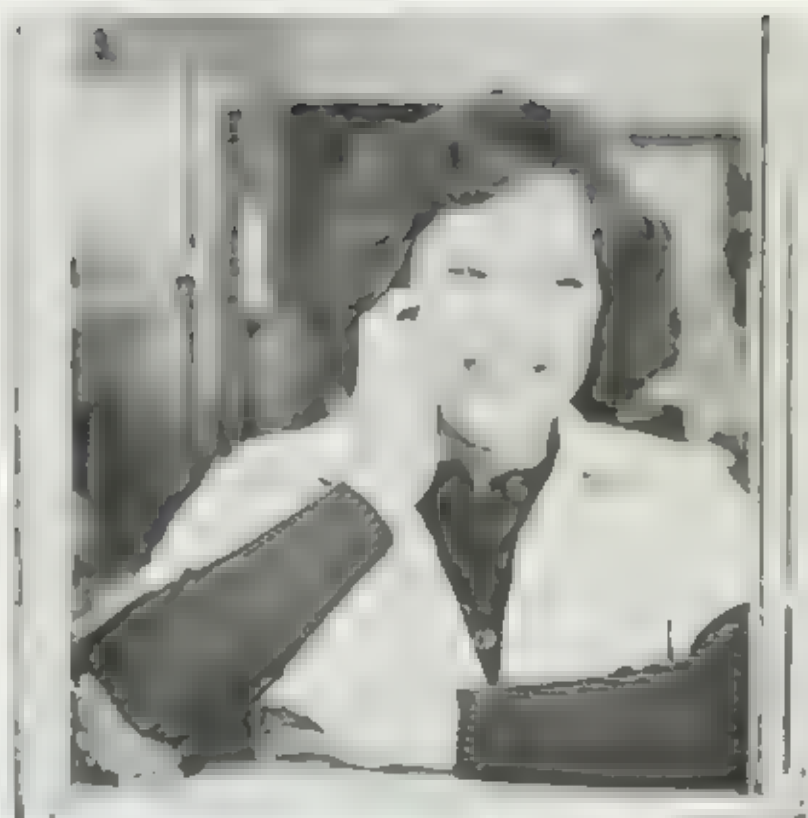

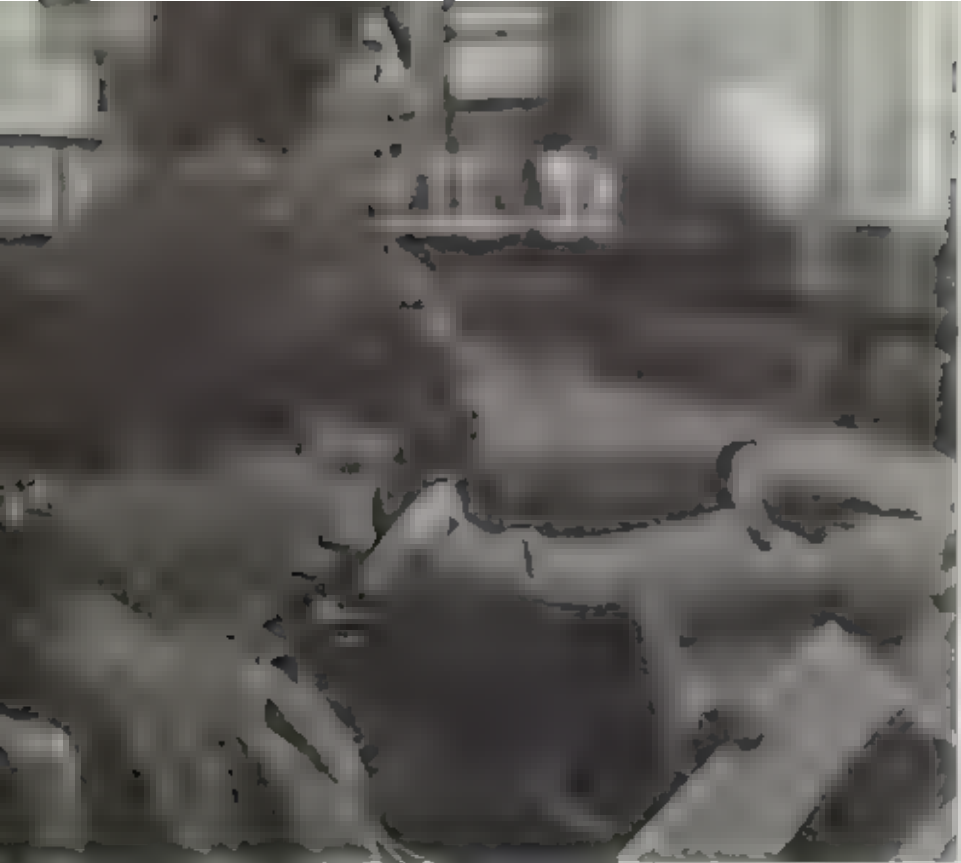

Rivalries

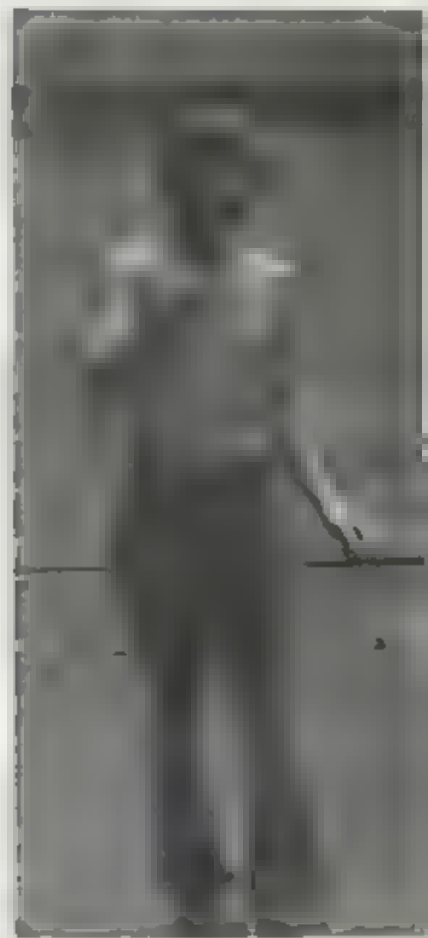

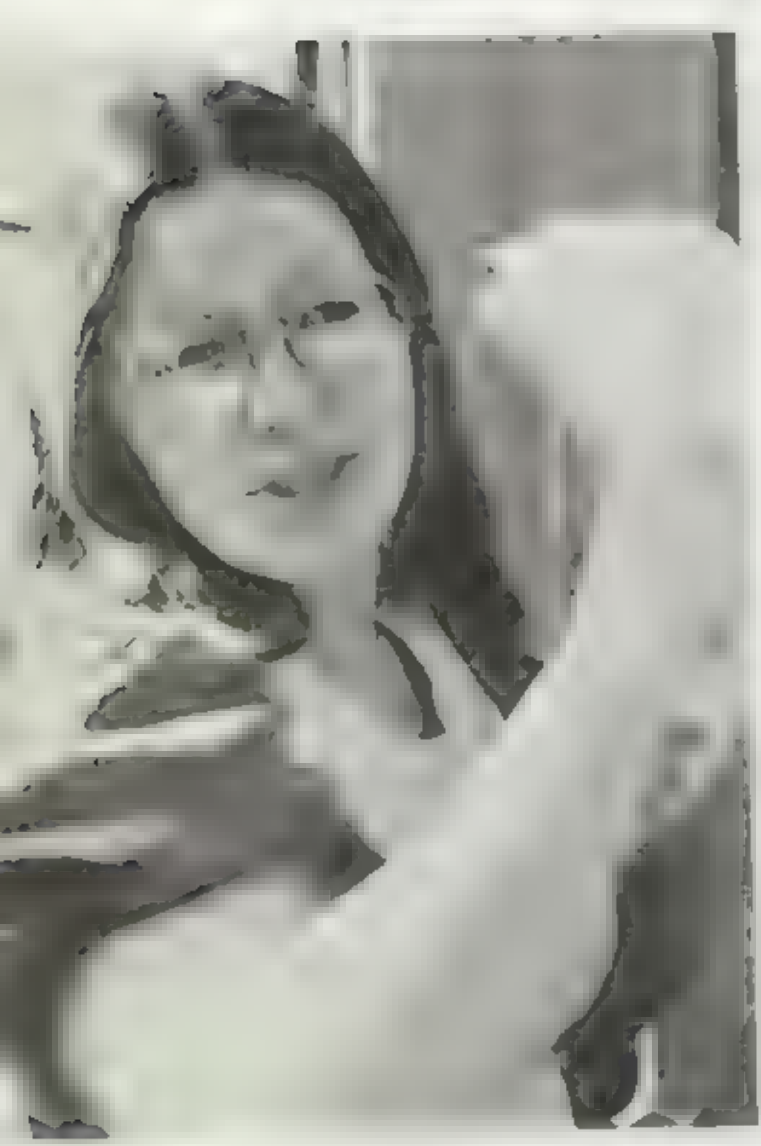

The annual Hellgate-Sentinel football rivalry was jinxed from the beginning. "Spook the Spartans Day", theme of the assembly, fell on Halloween. Dracula, a fairy princess and twin birds were featured in a best dressed contest. An appledunking contest was won by Miss Barbara Browne, sophomore PE teacher. The worst spook of all was the game, which Hellgate lost, 23-0.

Kevin and Dave bet on the annual Hellgate-Sentinel football rivalry. Hellgate had a 16 point margin in the wagering but lost, 17-0.

The boys were greeted with pies, thrown at a Sentinel assembly, containing birdseed, molasses, toothpaste, shaving cream, coffee grounds, baby shampoo and wheat germ. Kevin's reply was, "I regret that I have but one face to give for my school."

AFS'ers Share Experiences

Cheryl...

Cheryl practices a Kendyan dance with her foreign father, Above, while Below, she serves her family home-made apple pie.

The first week of my visit to Ceylon was spent in a bug-ridden private hospital recovering from an appendectomy, beginning on the day of my arrival. My adjustments to this situation were helped by AFS representatives, AFS friends, embassy personnel and my host family who was with me 24 hours a day.

I lived in the capital and largest city on the island. People spoke Sinhalese which is the major language of the country of the second major language, English, or thirdly, Tamil.

My host family consisted of my parents, two boys and four girls all of whom spoke English fairly well.

Some of my most vivid and fun memories with my family include making apple pie with with dried apples sent from the U.S., giving them a frisbee which they used as a wall ornament, riding an elephant, and learning one of the traditional Kandyan dances.

It is my impression that the only way to really learn about a country is to actually live within a family and discover WHY they live as they do. This last summer was a memorable experience. I wish to thank the Missoula AFS Chapter for allowing me to represent Hellgate High School, and everyone else who supported the AFS program.

Cheryl Dick

Karen...

Martine and Karen horse around while exchange student Jeleen Fish looks on.

My name is Karen Buck, I am the Domestic Exchange Student from Massachusetts. My stay here is over as of the 25th of January.

Being an AFS student is an unique experience. One learns to live with people, adjust to other life styles, and most of all one learns to love. As AFS students we must go through all the hardships and good times with the host family.

Many people don't think that being from somewhere else in their own country is as exciting as being from another country. Well, it is, if not more. People in the east have a totally different life style than people in Montana.

I live Missoula Montana very much. The school is much bigger than my hometown school. My school has only 300 students in it. Missoula itself isn't what I call a city. That sounds funny since I come from a small town. Our towns are separated by a borderline, we don't have so much room in between towns.

AFS is something everyone should experience.

Karen Buck

Martine...

Martine has a lively chat with her American family.

Martine fruits around in the home of her American family.

Martine enjoys her first Christmas in Montana.

My family has really considered me as one of its own.

I have had the chance to know "formidables"-people at Hellgate, and a lot of them have helped me when I have had problems (especially language problems!).

People in France know about the U.S. They learn about it in school and read and hear about it in the news. They listen to music of pop groups and watch American TV programs.

This year has proven to me the only way to learn about people is to live and share with people.

I hope to come back to Missoula soon and to write all my friends (... and to eat a lot of donuts).

Martine Sirguez

All young people who have the opportunity to live in a foreign country for a whole year experience a wonderful time.

I have been able to learn about traditions, people and a life style very different from my own in France.

Leadership Learned at Girls State

Carroll College in Helena was the setting for Girls State session last June. Nancy Cole, Debbie Kolb and Sue Nokleby represented Hellgate, while Peggy Koepplin and Cindy Butler were alternates.

Mock conventions were held where the girls elected candidates to various offices. Delegates were given insight and experience in the workings of city and state government.

Junior girls interested in Girls State applied and were selected by the faculty.

All the girls agreed that it was "really fun" and a "great opportunity to learn about our government."

BOYS STATE--Front Row: Allen Grimsley, Kevin Hunt, Bob Coffman, Row 2: Eric Rolshoven, Shawn Clouse, Row 3: Al Riefflin, Blaine Taylor.

Boys State Develops Leadership

Western Montana College in Dillon, was the site for this year's Boys State Event. Delegates were chosen by faculty members on the basis of leadership, character, integrity and scholarship.

Senior boys attended the American Legion-sponsored event and were each divided into mock cities. Each city contained a major city attorney and police chief. The cities formed a mythical state which was run using Montana Law as a guide.

Delegates included Kevin Hunt, Ray Plienness, Blaine Taylor, Allen Grimsley, Al Riefflin and Mark Marcinkowski. Alternates were Mark Beaufait, Bob Coffman, Scott Larson, Eric Rolshoven, Ross Best, Mark Ellison, and Shawn Clouse.

NFL member Dan Chamberlain and Kelly Goode study a map around while speech team members Mark Nimlos and Don Weidenfeller look on.

To become a member of National Forensics League (NFL) a student must earn 25 points by competing in speech meets.

This year members were compelled to pay for their own expense for competition in the meet because the administration deemed NFL a private rather than school-sponsored activity.

Only six out of nine members participated in the NFL Speech Meet in Great Falls partially due to the cost.

Members include Pres. Ross Best, Vice-Pres. Mark Elison, Sec. Meg Biggerstaff, Treas. Dan Chamberlain, Sue Bulman, Kelly Goode, Liz Haddon, Kevin Hunt, John Patterson, and Doug Morin.

NAT'L MERIT COMMEDED STUDENTS--Mike Bricker, Bob Coffman, Nancy Templeton, Kevin Hunt, Eric Larsen.

Four seniors achieved eligibility in competition against 15,000 other students for a \$1,000 scholarship sponsored by the National Merit Scholarship Corporation.

Lar Autio, Mark Beaufait, Ross Best and Susan Nokleby took the NMS Qualifying Test in competition with over one million other students throughout the nation.

Five seniors achieved commendations on their test results but may not continue in competition for the scholarship.

Mike Bricker, Robert Coffman, Kevin Hunt, Eric Larsen and Nancy Templeton, all seniors were named as commended students.

Kevin spent the week in a luxury hotel, and met such celebrities as President Ford, Vice President Rockefeller, and worked as an intern for Montana Senators Mansfield and Metcalf.

The program received no public funds, but received unanimous support from the U.S. Senate.

Two From Hellgate Win at Junior Miss

Two girls from Hellgate received awards in the 1976 Junior Miss Pageant. Tina won the "Miss Personality award" which was voted on by the other members of the pageant, and Cheryl Rosenbaum won the "Scholastic Award", which was voted on by a panel of judges.

The girls practiced two nights a week for one month while preparing for the pageant. Contestants were judged on talent, personal appearance, physical fitness, and scholastic achievement.

Both Tina and Cheryl agreed that the pageant was a memorable and enjoyable experience.

Soroptimist's Pick Barth

Margret Barth was given the "Girl of the Quarter Award" by the Soroptimist's Service organization. Every year this organization honors a senior girl from Hellgate based on contributions, time, and enthusiasm shown toward school.

In her past four years at Hellgate, Margret has been involved in modern dance, cheerleading, and intramural sports.

Margret and her mother attended a special dinner in her honor, where she received a small gift.

Mix Wins Betty Crocker

Lori Mix is this years winner of the "Betty Crocker Award". Along with many other students, she took a 50 minute test in "family living". General Mills sponsors this test to achieve dignity in the home, to prepare for family living, and for high school students to make more contributions towards the home.

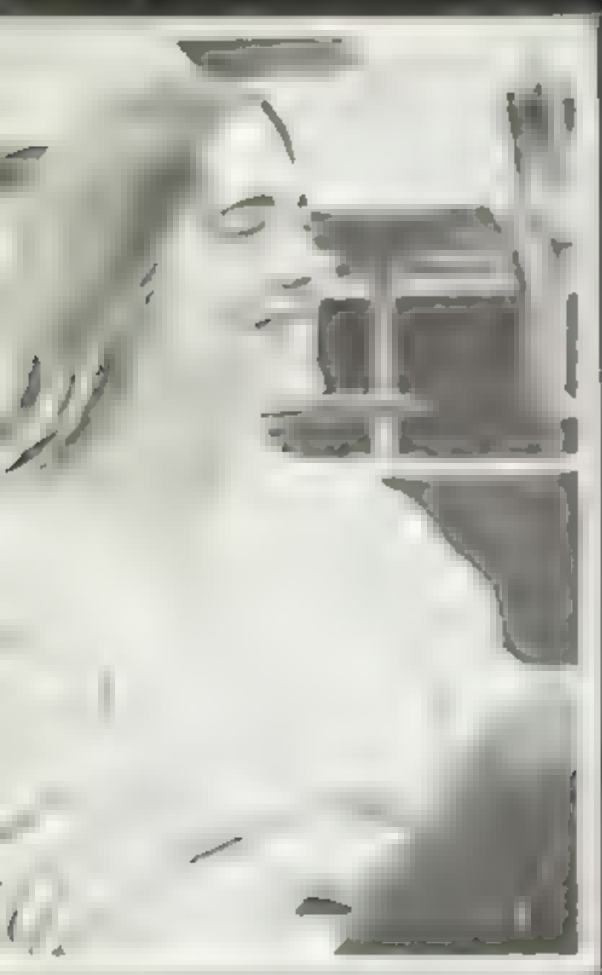

This award makes Lori eligible for further state and national competition. If she wins at state level, she receives \$1,500 and a trip to Washington D.C.

CC Reviews Courses

Curriculum Committee (CC) is a branch of Student Senate, although not related to Student Senate activities. It is designed to review the curriculum in the school, inviting persons to come share their views on the activities and course structures of the departments.

In the past, CC has made a recommendation for Russian to be taught in the high school. This year it planned to look into the Fort Missoula complex, review courses in the school and help promote better student-teacher relationships.

Advisory Boards Discuss Problems

Principal Correll's Board

MR. CORRELL'S ADVISORY BOARD: Joe Oeschli, Mike Magone, Grant Parker, Kim Sandberg, Scott Schull, and Lisa Crookshanks.

Mr. Correll's Advisory Board met monthly to discuss student criticism and to decide upon changes to be made in the school. It gave students a way to express their opinions and air their gripes directly to an administrator. The board consisted of two seniors, Lisa Crookshanks and Grant Parker, a sophomore, Joe Oeschli, and a freshman, Mike Magone. The members were chosen at the beginning of the school year on the basis of written applications. Through the board, Mr. Correll was able to find out what the student body was thinking and how it reacted to various school problems.

"What do you mean we missed the deadline by 37 pages?" says Editor-in-Chief Lisa Robbins.

Advisor Mr. Bill Taylor poses for the 7th retake by Halberd photographers.

"The cookies are here! Get out of the bathroom! Who's developing?" "Make contact sheets!" "What do you mean there aren't any copy keys?"

All of these could be heard any eighth period (and especially deadline eve) pouring out of the Halberd room.

This year, despite many setbacks, the Halberd staff labored many long, hard hours to put out a high quality yearbook.

The staff, under the direction of a new advisor, Mr. Bill Taylor, began the year with no home. It was soon shoved over to the art attic annex where it has set up permanent residence. It now has a photo lab and work room all to itself. It even has its own entrance.

The always hard at work staff began its own exclusive club, "The Cookie Club." Membership was limited to Halberd staffers with baking skills (or a good cookie recipe). The club had one officer, Cookie Sheriff Kristen Sohlberg, who in her spare time worked as photo co-ordinator.

The 1975-1976 Lance staff, under the direction of a new advisor, Mr. Wayne Seitz, worked hard this year to put out a bi-weekly newspaper.

Copyreading galley proofs at 7 p.m., ruining the film with the biggest ad picture on it, writing heads to stories that don't exist and turning in copy two days late were some of the trials the 15 Lance staffers went through to produce a good student paper.

At the beginning of the year, the staff switched to a new style of printing. The new paper was eight to twelve pages in length and was printed on news stock.

The Lance has achieved an all-state ratings from the University of Montana School of Journalism each year since it came into existence.

Editor Susan Bulman directs Lance activity.

Pep Club Rouses School Spirit

Male members were welcome additions to this year's Pep Club. The group consisted of about 20 members.

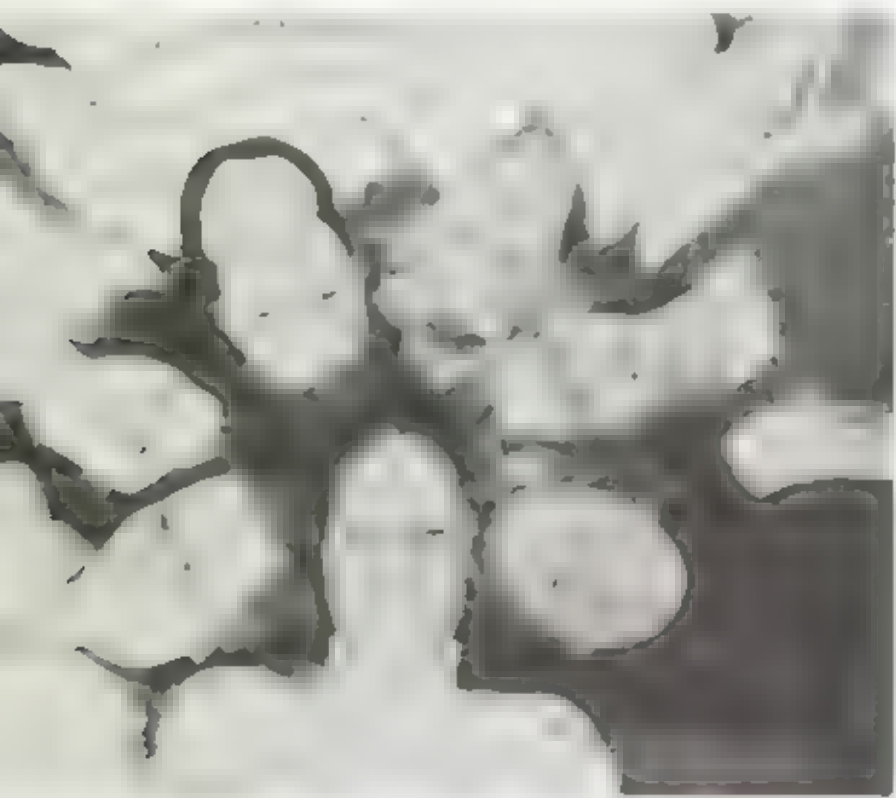

Pep Club's primary purpose is the maintenance of school spirit. It is a very busy club, with such activities as chili feeds and ice cream socials. Funds are raised by concession stands at various sports activities. The money goes back to the school for such items as poster paper and paints. This money is also used to fund other activities.

Support Grapplers

Wrestling Cheerleaders were a new addition to Hellgate's cheering squads this year.

Wrestling cheerleaders' purposes are to support wrestlers and to help promote wrestling spirit.

The girls cheer for all squads and must raise their own money for uniforms and transportation to tournaments.

This year's adviser for the Wrestling Cheerleaders was Miss Anita Dupuis.

Yell Leaders is a newly formed collection of sophomore, junior and senior boys designed to help the cheerleaders during games with cheers. They also help promote spirit at Hellgate via sporting events and pep assemblies.

The idea for Yell Leaders started when a group of boys decided to be cheerleaders for the Hellgate-Sentinel girls' football game. This was the beginning for Yell Leaders.

They were chosen by a variety of representatives from school clubs and activities. They performed three cheers for the panel. Six Yell Leaders were chosen.

Mr. Kevin Hammond is the group's adviser. He is chaperone for out-of-town games and he helps the boys in organizing money-making activities.

Three Hellgate teachers, Mrs. Mary Downey, Mrs. Rose Hudgens, and Mr. Don Sommerfeld, were American Field Service students.

Karen Buck from Chattum, Massachusetts was Hellgate's first domestic exchange. Martine Sirguy is attending Hellgate as a senior from France. Hellgate's AFS student, Cheryl Dick, spent this past summer in Ceylon.

AFS is a club which offers excellent opportunities to meet and know students from all over the world.

Operation Europe Stakes Its Destination

One, two, three SPLIT!

A group of 23 persons, including five Hellgate students and two advisors, Mr. and Mrs. Walter Graf, German teachers at Sentinel, comprise the 1976 Operation Europe touring delegation.

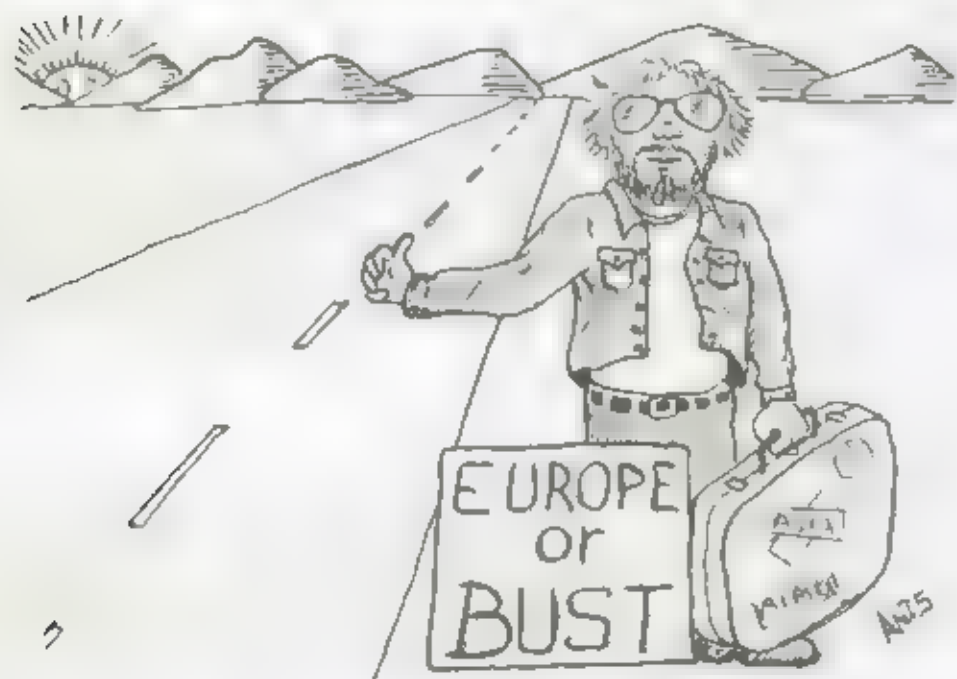

The Operation Europe program is designed to give students an opportunity to travel abroad and further their knowledge and experiences.

Persons participating in Operation Europe must supply about \$1900 each for the trip. Operation Europe also sponsors fund-raising such as selling stationery and walnuts and splitting stacking and delivering fire wood. The profits are used for special luxuries on the trip such as a swim at the Riviera and boat ride on the Rhine River.

Applications for the tour are submitted to the Grafs in the spring, one year before the tour.

Club members report information and any progress of the group at the bi-monthly meetings.

The '76 tour will be five weeks in the summer. The group visits France, Germany, England, Italy, Switzerland and Austria.

Chess Club Makes the Moves

The 12 regular members of Chess Club met every Tuesday after school to match wits with each other in a game of chess.

Chess Club's main activity of the year is a match against Sentinel's Chess Club.

Mr. Tom Graff, Chess Club advisor, said it "had defeated Sentinel since the beginning of time until last year when it lost the match by $\frac{1}{2}$ a point." But the club is confident of another victory this year.

Chess Club has done away with fund raising projects this year but occasionally dips into last year's surplus money to buy doughnuts.

When the strain and pressure of chess competition becomes too great, club members sometimes resort to playing Stratego.

Ski Club Hits the Slopes

Hellgate High School's Ski Club's 22 loyal members worked hard to raise money for their annual ski trip to Big Mountain.

Planned Fund raising projects included the sale of raffle tickets for a color television, a dance with the Loyola ski club, a concession booth at the Safety on Skis Fair, the shoveling of the sidewalks, and a ski fashion show at the Mansion.

Ski Club met once a week at Snow Bowl to take a few runs together and discuss the days highlights.

Ski Club had a hard time trying to decide where to go for their trip. Choices were Davos, St. Moritz, and the Bugaboos, but the club decided on Big Mountain near Whitefish, Montana.

Outdoor Club was managed by a committee of varying attendance. The club is open to all students and asks no dues. Hikers pay a minimal fee for gas when private transportation is involved.

The purpose of the club as it is now formed is to give students the opportunity to get outside where they normally would not be able to go.

This year the club is, for the first time, an official school certified club. The group is very active in the winter rather than fall or spring because of hunting and track and other distractions. They went to Squaw Peak, Lappi Lake, Lolo Pass, Gold Creek, as well as many other cross-country and snowshoeing excursions.

MUN Solves World Crises

The 75-76 Model United Nations session had two delegations in the top ten as well as dealings with warfare and extortion. The two Hellgate delegations and its members were Albania; Mark Elison, Mark Doty, Steve Hess and Rick Hunt, and United Kingdom; Lar Autio, Mark Beaufait, Colin Price, and Don Wiedenfelder.

An Israeli ambassador was threatened with death by unidentified captors, which resulted from an attack of Lebanon upon Israel. This situation was complicated by a Saudi Arabian threat to cease all oil exports unless the General assembly took a hard-line position against Israel.

The function was sponsored and manned by students from the University of Montana.

Art Club Fights Its Way Into Hellgate

Art Club is a newly formed club this year. Advisor Mrs. Autio is new to the staff. This fall it sponsored a contest to draw the Mona Lisa and other such characters. In the Spring they had a picnic in addition to a group show at the Warehouse Gallery.

Several of the masks shown in the picture are examples of ones sold at a drama sale that was conducted at the University.

DECA Educates for Jobs

DECA CLUB: DECA is made up of students from both Hellgate and Sentinel. Pictured members from Hellgate are Randy Wilson, Shirley Brunner, Debbie Froehlich, and Peggy Pfau.

Missoula County High School's Distributing Education Club of America met once a week to discuss retailing management. DECA advisors, Mr. Leo Holer, Mr. Ken Curtis, Mr. Duane Pederson, and Mr. Brad Hart helped club members to raise money by selling concessions at games. Some of the money went to needy Missoula Families for Christmas presents.

The State DECA meet in March kept club members busy working on sales demonstrations and putting a sales manual together.

Most DECA Members are enrolled in co-op, a course designed to help students get jobs and get credit for their jobs.

Orchestra Plays Around

Orchestra was occupied with many functions this year, making for an exciting program. Members played in quartets every other day (double period days) and some of the foursomes played at various businesses during the Christmas Season.

It participated in the Orchestra Festival in Bozeman in December. The group played a piece by its-selves, and performed with a combination group of other orchestras. It played with different directors and according to orchestra members it was a good experience as well as educational.

Thirteen members attended All-State in Great Falls which is for a selected group. It took place Oct 22-24.

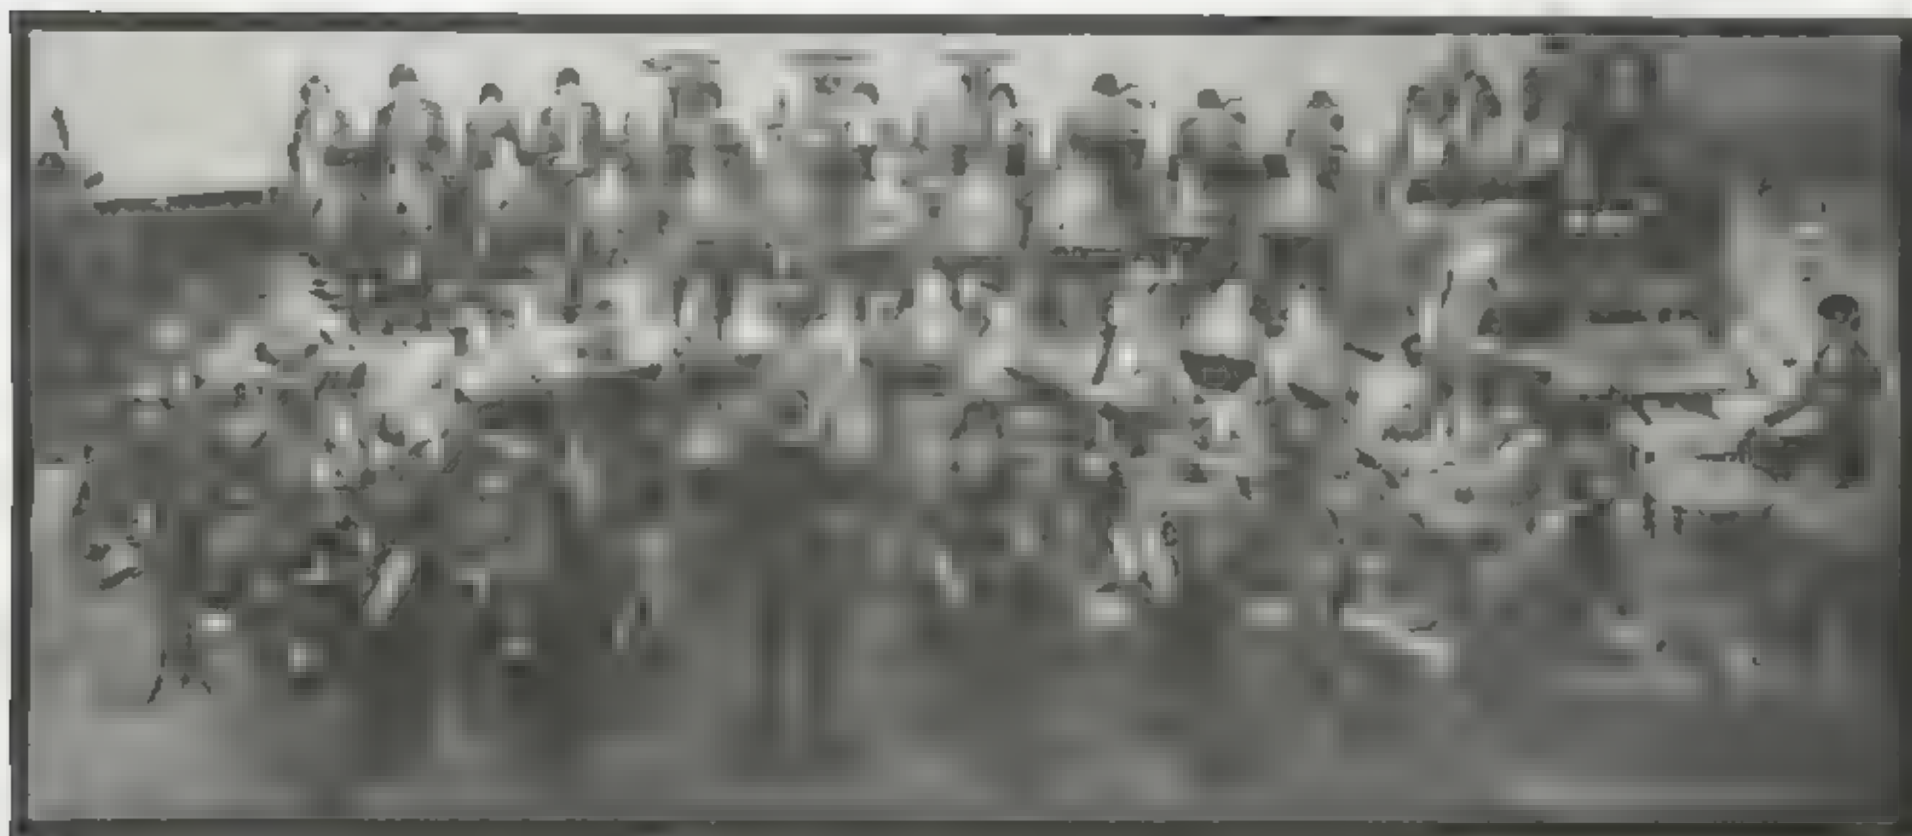

In spring the group held a concert with the Grade School Orchestra as well as its annual Spring Concert.

A small group accompanied the musical theatrical production in the late spring. Only a small number of members partake in this function.

In addition, the group played three Brandenburg pieces at the Fine Arts Assembly.

1000 Mile Club— Hot to Trot

Running 1000 miles and reaching top physical condition was the goal of 1000 Mile Club members.

Coach Larry McKinney led 1000 Mile Club in fund raising projects such as selling Sno Cones at football games and raking Bonner Park. The money earned was used to send club members to an indoor track meet in Pocatello Idaho.

Opening the season with high hopes, the mighty Knights offered to many fans an exciting and memorable year.

Aside from the few set backs, including a disappointing 1-8 record, the Knights had a good defense and a strongminded team.

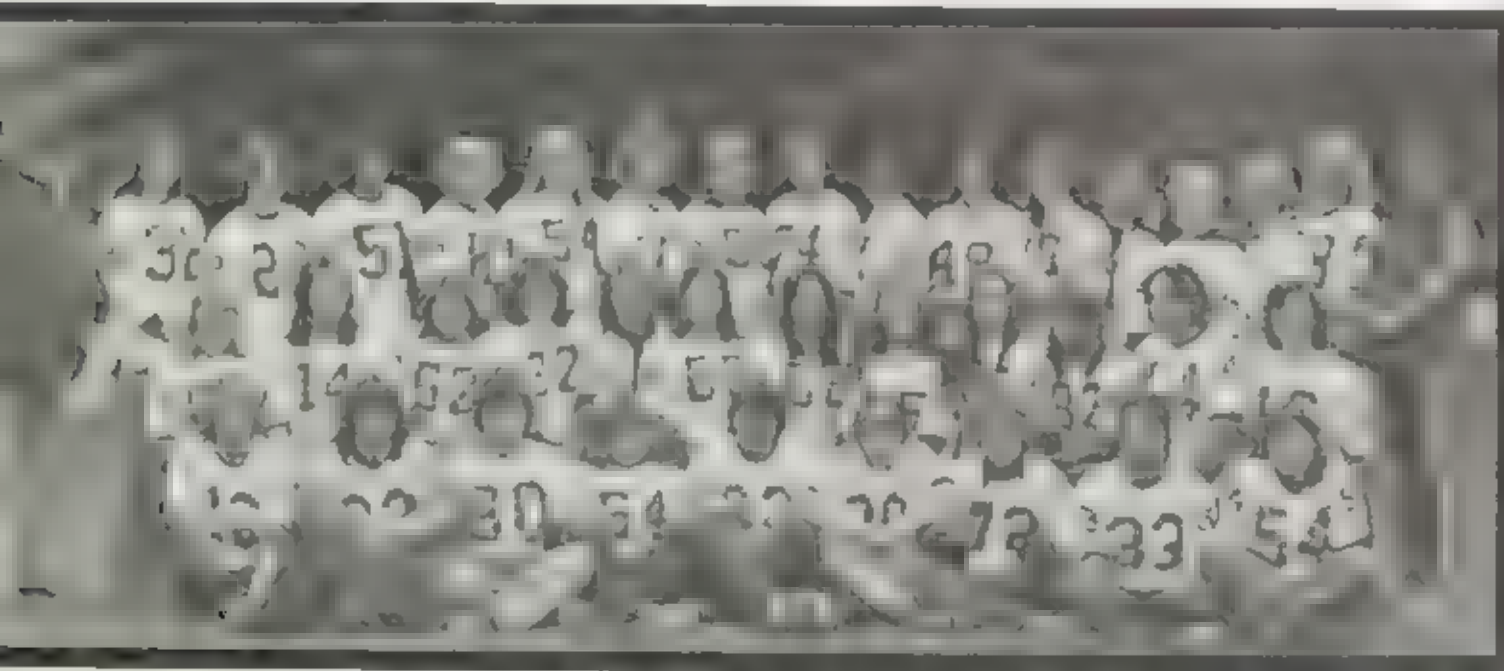

The triple option offense of the beginning of the year was dropped, as it put a heavy demand on an inexperienced quarterback, Frank Jobe.

Under the leadership of Jay Huggins and Mike Evans, the team drove on. Although the Knights achieved only a single victory, more than one opposing team was intimidated by their aggressive defense.

Powder Puff started off with 71 interested girls, but after a couple of hard practices, ended up with 38 girls.

This year we lost to Sentinel by the score of 7 to 0.

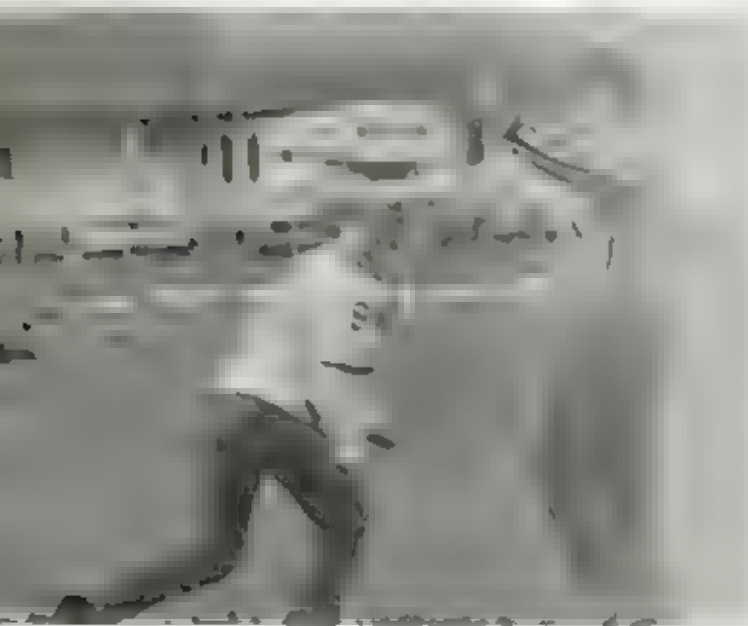

In the years of competing with the crosstown rival, Sentinel, Hellgate has won 7 games, lost 3 and tied once.

Coach Ron Jones, said, "Even though we had a good team, we lacked the most important thing, experience. To set up a tradition of winning seasons the girls must participate more than once in their four years of high school.

Those girls who participated know that it takes time, hard work and experience to win. The girls who played this year know how hard it is to lose. But we keep on saying "We'll show 'em next year."

Even though losing, the Knight's had the Spartans confused.

Get away, I've got it.

You can't say the Knights don't have spirit.

Practice began with double sessions on August 18th and a dedicated, determined and talented group they proved to be.

One of the seasons high points came on Saturday, October 18th at Naranche Stadium in Butte when the Squires defeated the Butte High Sophomores, 26-20.

The Squires squad has great balance and depth and promises to give loyal Knight fans many happy moments in the seasons of '76 and '77.

Coaches Bob Casey and Gerry O'Reilly say "Thank you Squires"-"You've been a great group."

Keep on Moving-onward and upward.

Co-Captains selected at the end of the season were Mike Sullivan, Offense; and Rich Phillips, Defense.

The year of 1976 was one of building for the Varsity Wrestlers. The team had several underclassmen including three freshman, Rick Butler.

Mr. Lanny Bryant, varsity coach, said he expected Hellgate to bring a trophy home from state this year and that Hellgate will certainly be a top contender in state for the next few years.

Mr. Bryant said the most outstanding player on the varsity team was Greg Cottier and the most improved was Allen Grimsley.

Hellgate defeated Sentinel 42-11 at the cross-town rivalry match.

"Look out for that grandbe"

The Freshmen had a very successful season this year with prospects for great teams in up coming years.

The team spent its afternoons working on drill techniques, running and wrestling until all were exhausted. The hard work out payed very well in the end, though...UN-DEFEATED.

Here comes a Craddle

HELLGATE KNIGHTS--Front Row: Jim Williams, Mike Lowe, Karl Yohan, Mike Larson, Brad Murray. Row 2: Blaine Taylor, Dave Gleason, Bill Diehle, Marty Green, Coach Russ Sherriff, Greg Reich, Gary Huggins, Loren Larson, Al Reutflin.

Coach Russ Sherriff was "really pleased" with this year's Knights. He said, "They played good basketball and showed great potential from the beginning."

The Hellgate Knights proved to be a very intense team. They showed better discretion than in previous years. The players worked together well, which is what it takes to have a winning team.

Coach Sherriff said the boys were easy to work with. Having strong starters and an equally competent reserve string, the team rarely lost momentum throughout the season. Each individual was willing to work and wanted to win. "All were sincere in trying to do their best," he said.

The Knights abound with special talents. Blaine Taylor, said Coach Sherriff, "is the most talented guard I've seen." He also cited Brad Murray as being quick on the floor and able to handle some of the tougher guard assignments.

In addition, the talents of Marty Green, Gary Huggins and Dave Gleason gave the team the spirited basketball machine.

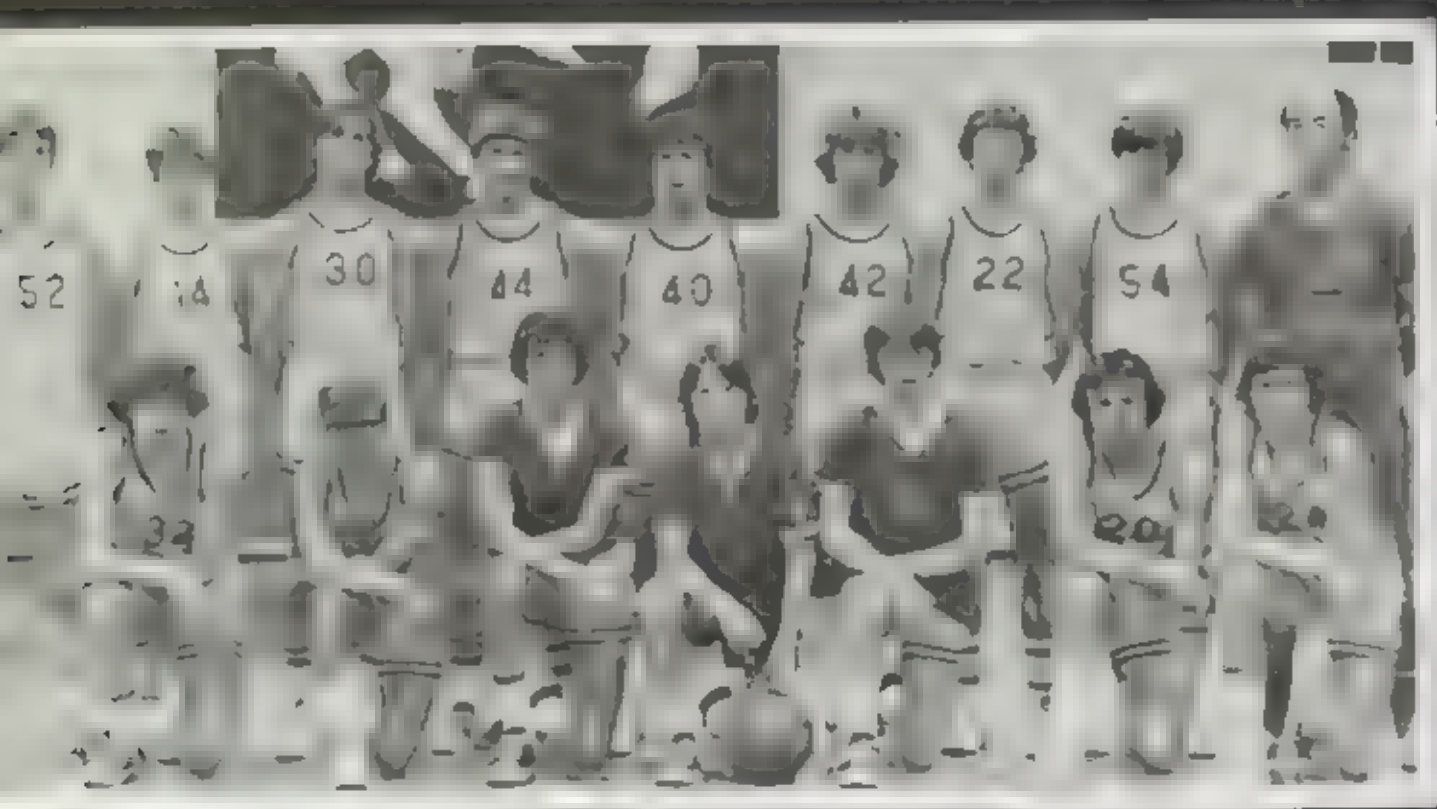

Upcoming Teams Look Promising

The longest mile!!

Coach Larry McKinney said his boys cross-country team did very well this year with a 6-2 record in the duals, placing third in the U of M invitational and second in State Competition.

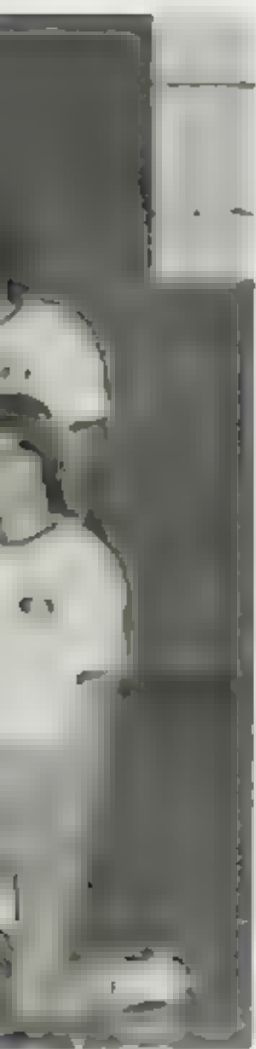

Outstanding runners included Scott Larson who placed 13th in State and Bob Jovin who placed 20th.

Scott Shull was named the Most Valuable Runner and Bob Jovin was voted the Most Improved.

Hard work and determination made this a winning year for our guys.

JR. VARSITY--Front Row: Jamie MacKencie, Mike Bricker, Perry Martin. Row 2: Mat Houston, Floyd Grahmn. Row 3: Ron Huguet, Dave Holden.

Comin' home! Toni Baugh gives her last spurt of energy.

The girls cross country team started fresh with 6 of the 7 girls on the varsity team being sophomores and a new coach, Miss Barbara Browne.

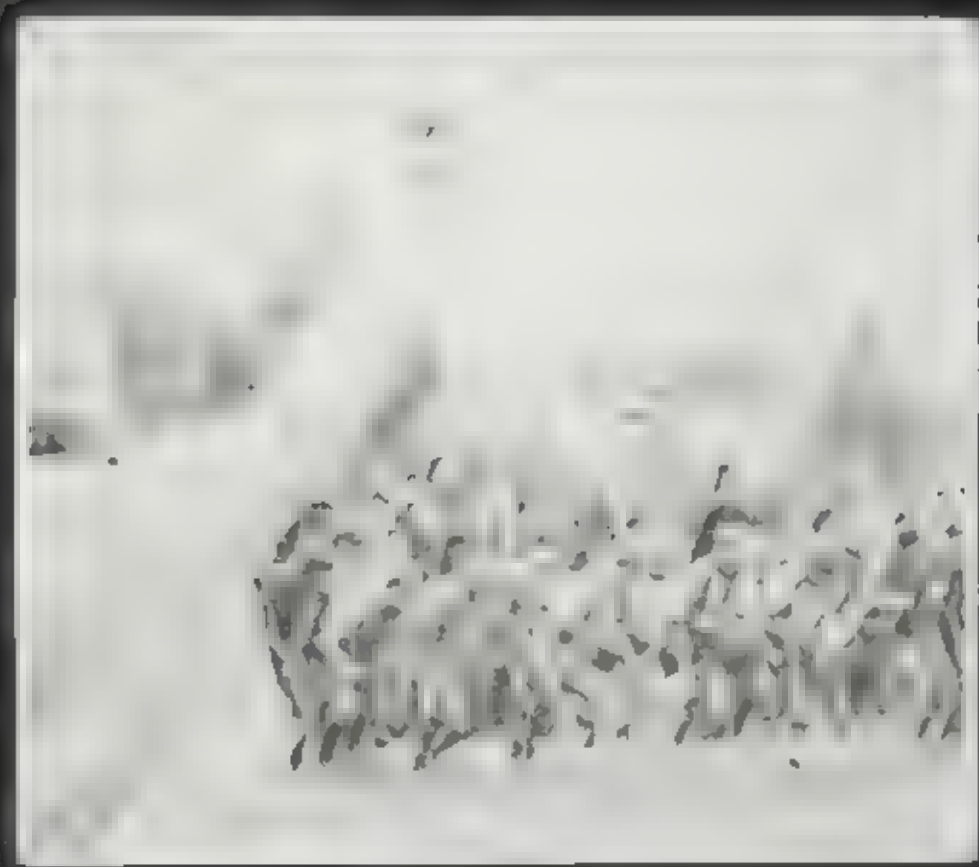

The team had a fair season with 2 wins and 4 losses.

Individually, the girls did well, 6 out of 7 placing in state.

Coach Browne commented about her girls. "Cross-country takes a great deal of dedication and self-discipline. I see the girls crossing the finish line totally exhausted with little, if any, energy left. I have a great deal of admiration for their great efforts, whether they take first or last place."

GIRLS CROSS COUNTRY--Front Row: Toni Baugh, Patti Baker, Sue Nokleby, Julie Midyett. Row 2: Coach Barbara Browne, Kelly Sandberg, Carrie Netzer, Dottie Reynolds, Manager Nancy Cole.

And They're Off...

FACULTY

Superintendent Zellick Explains New Hellgate

Superintendent George Zellick

"The Missoula County High School Trustees are presenting to the citizens of the county a plan which would replace Hellgate High School as a high school. This plan is based on a Building Reserve Fund which would take ten years to complete. The plan is flexible in that it may adjust to whatever the conditions may be over the next ten years."

"Much thought has been put into the future of Hellgate High School, however, it was the feeling of the Trustees that whatever improvements could be made to Hellgate that these would not improve the total program. Therefore, this gradual phase out seems the best solution."

Bill, well I'm really
glad that you asked me
to sign your yr. book. Well,
here goes: I guess that we have had
a lot of good times & I guess some bad
times too, but lets not get into that, okay? Oh
I really think you are neat & I want to wish
you all the luck in the world cuz you are going to need
it, no just kidding ya. Good luck in softball. I'm glad
you guys took 2nd in the softball tourney. I'll have to get down
so Spurgin & watch some of those games. That's if I can find time on
my busy schedule. Don't let any one read this cuz I could get embarrassed
Hope to see you "NORTHSIDERS" this summer cuz you are lucky I might
play for the girls team. If you guys have any good parties give me
a call (549-9728) See ya

LOVE YA,
DANA
